Dogs NSW Breeder's Directory Policy

1. All details advertised in Dogs NSW Breeder's Directory will be supplied to members of the public who enquire for breeders' details by mail/phone/fax or email. The advertisement will also appear complimentary on the Dogs NSW website.
2. Advertisers in the Breeder's Directory must have financial membership and a financial Breeder's Prefix to apply to appear in the Directory. If your membership lapses during your advertisement contract and you then become unfinancial your advertisement will be cancelled immediately.
3. Breeder's Directory advertisers that have not renewed their advertisement by the due date will lose their position in the Breeder's Directory listing.
4. New advertisers and late renewals will appear at the bottom of the breed listing, unless it is the fault of the Dogs NSW office that an advertisement failed to appear, or that a correct renewal notice failed to be generated by the office.
5. Dogs NSW reserves the right to refuse or cancel without any notice a breeder's directory advertisement.
