- ▶ First, second and third places will carry points, which will accumulate during the year.
- ▶ All Junior Exhibitors cats must be entered in their normal class to be eligible. Junior Exhibitors are to be issued with their own vet slip and it must be endorsed Junior Exhibitor. They must be at the show and bench their own cat.

SHOWING YOUR CAT

All kittens as from the 1st January 2010 kittens may be shown from 12 weeks of age, (Previously 3 calendar months). Show cats may require some grooming and good nutrition to maintain perfect show condition. **ALL** of your cats' claws need to be clipped before the show. A carry box is essential. Your cat needs to be up to date with vaccinations & worming, and if it is still a kitten (under 9 months) you will need to bring your vaccination certificate with you (signed by a veterinarian).

Cats are shown in their different groups, each group usually being judged by the one judge and you can usually watch your cat being judged. Cat shows are held on Sundays, once or twice a month February through until November.
