From the Show Secretary

Holding a CCCA National Show in Perth was always going to be a challenge. To begin with it had never been held here before. In 2008 when the ACT regretfully had to withdraw from hosting our delegates to the CCCA meeting were worried there might not be a 2009 show. During the tea break they phoned home to check if they could raise the possibility of WA hosting. When the meeting resumed a tentative “yes, we will put it to our committee and see if we can host it” earned a round of applause, WA was finally going to give it a go!

Two WA clubs put up their hands to run the National and they were later joined by a third. This was a little different as the affiliate usually holds the show but it has worked really well for us and gave us a really good group of people to take the show forward. We couldn't have asked for a better group of enthusiastic and fun people to work with.

Our first hurdle was a venue and once that was found (with a little help from a very special friend) we were up and running. We decided that to attract visitors from interstate we had to be ambitious so we took a deep breath and went with eight rings. With the help of CCCA we selected four international judges. We decided to bring all of the other judges from interstate to encourage local exhibitors. It meant a lot of budget juggling to keep the entry fees the same as 2008!

Disaster nearly struck when one of our US judges Wayne Trevathan had to pull out due to a change in work circumstances. Cheryl U'Ren used her CCCA International Liaison Officer contacts to help us find another CFA judge for the national and the two other shows Wayne had been booked for. We are very grateful to Donna Fuller for stepping in to judge for us at short notice.

Having such a big show with so many rings and so many placings was a challenge. To reduce the heavy workload we decided to innovate and came up with some new ideas for the show. To begin with we decided manning a big prize room, dealing with the prize paperwork and being able to source so many prizes would be too much in the time we had. So we decided to go with exhibitor bags instead. Our sponsors loved the idea of their products going to everyone and were very generous. At one point we wondered if everything would fit!

The next innovation was our amazing show software. When I came home after a show meeting and said I had volunteered to be show secretary my partner Damien was concerned. He had seen me do shows before and knew how much work it was. He decided to make me some show software. I thought it would be something simple but the result is an end to end product that does everything from vetting slips to the catalogue at the press of a button. It has saved us hours and hours and we are so grateful for the work he put into it.

Sponsorship was also a big challenge for us. Tough economic times meant that the big food brands were not able to help us. We were rescued by Better Pets and Gardens who came on board as our naming sponsor. Trish Neill has been an absolute dynamo. She did the rounds of the chains suppliers and got us loads of goodies for the show bags and raffles. Better Pets and Gardens also gave us all the toys for the show bags. At the last minute Iams came to the rescue as our food sponsor and sent us all the top placing prizes as well as more goodies for the bags and we are very grateful for their support.

Now to say thank you! I would like to thank our amazing and generous sponsors, all of our wonderful judges, the associations that loaned us cages, Hilo Show Ribbons, Colbernes and Trophies Etc for our awards, Pamela Green for her support, the people who have volunteered their time before and during the show, Birman Rex & Others, Southern & Siamese Cat Club and WA Cat Club members, the CCCA for giving us the honour of holding the show and the local exhibitors and interstate travellers for coming to the show.

Extra special thanks go to the girls on the planning committee, their families for being supportive and giving up homes and time to help us, my partner Damien for the time and effort he put into the show software plus putting up with having our house taken over with boxes and boxes of prizes, raffle items and oh so much paperwork!

The biggest thank you of all goes to your beautiful show cats and kittens. Please give them all a cuddle to thank them for coming today and making this a wonderful show.

Good luck to everyone

Show Fundraising

When it comes to fundraising our Suzanne Bolland is a legend. Suzanne put on a great quiz night which raised \$1300 towards our show. The night was a lot of fun thanks to Greg Hobson our quiz master and quiz helpers Gill, Linda and Claire. Trevor was right at home behind the bar and Pamela helped Suzanne with prizes and raffle tickets.

Suzanne then organised a sausage sizzle at Bunnings in Mindarie. Suzanne's brother Laurence did all the cooking on both days and cut up all the onions when it made Suzanne cry too much! Carol, Kay and Pamela helped sell the hotdogs and drinks while Suzanne kept the buns and sausages flowing. The hard work paid off with a total of \$1600 raised for the show.
