There were a great many photographers present at the show. If you are interested in seeing any photographs, please forward your contact details onto either the secretary; chris@jovelles.com.au, the webmaster, glevum@optusnet.com.au or the editor; staffordsanddevons@bigpond.com and we will endeavour to find out if your cat was one that was photographed.

What a weekend! I don't know about everyone else but I was absolutely exhausted after two massive days of showing; days filled with fun, friends, photos and fabulous competition.

For those who couldn't attend and for those who did but were too overwhelmed to take it all in, the CFCCQ presents its Roundup of Events; a special Newsletter put together to share the National with everyone.

Queensland turned on the Winter Weather with two glorious days of balmy weather. Competitors took advantage and ate lunch outside on the lush lawns surrounding the venue. The Logan Entertainment Center looked amazing with plenty of room for all. From the moment the competitors walked in, you could feel the spirit of this event. Admitted the lighting was a bit tricky and the music was a little intrusive but these tiny hiccups were soon under our belts and it was "On with the Show".

We were blessed with a fantastic line-up of International, National and Local judges, a wealth of experience all present in the one place.

As a "newbie" to a National event, it was just an overwhelming experience which I would be happy to repeat given the chance in future years.

I would personally like to thank everyone who made my days full of laughter.

Cheers,

Cindy

Thanks...

There are so, so many people who made this weekend the success that it was. The Management Committee and members of the CFCCQ would like to extend our heartfelt thanks to the following-

- **CCC of A Representatives Anne Eckstein and Shirley Sargent-** Thankyou for being at the show, it was great to see you both there.
- **The Judges-** Thankyou to those who travelled such a long way and especially to those who filled in at the last moment. You provided all of our competitors with the wealth of your knowledge and experience.
- **The Stewards-** The aprons were fantastic, made you look like a team and also gave our exhibitors an easy means of identification when the crowds became overwhelming. The emergency packs tucked into your pockets were a wonderful idea and were used often. The bandaids helped when the cages bit back!
- **The Writing Team and Runners-** Words cannot express the immense gratitude for those people behind the scenes who took the time and effort to fill out the catalogues, judging slips, challenge certificates and many other small jobs by hand. It was made extremely difficult when the computer system had a conniption but you all rose to the challenge. A special thanks to those who took their work home to ensure that the following day ran smoothly. The runners who came around and picked up the judging slips, provided water and Penny Dunkley, Ross Bird, Barbara Harbour and runners, Belinda Penglis and Meena Evans. If I have missed anyone out, my sincerest apologies, you may not be named but you are appreciated. Many, many thanks, you are truly the backbone of the team
- **The Prize Room-** If the writers are the backbone, then Gail and her team are the heart. A special mention to the Show Manager, Bernadette who had the very clever idea of bagging every single rings' rosettes and then labelling them so it was easy for the stewards to come in and get them. Gail, you did a fabulous job, many a competitor were in awe at how well it was all organised, you made an important job look easy. The entire team held it together, even when things became slightly hectic.
- **The Photographic Team-** A special mention to Marion Cooper who threw together a Powerpoint presentation on the Saturday night so that the Sunday exhibitors could see some of the wonderful photographs taken the day before. There were quite a few exhibitors who were "caught out" by a particular photographer who shall remain nameless and therefore blameless. Self preservation is a wondrous thing!
- **The Hall Team-** It was a huge undertaking for those of you who lived over two hours away and still made it to set up and take down the hall. We had over 400 exhibits which means 400 cages, as well as covering the exhibit and judging tables in paper and bunting. A huge effort, well done.
- **The Welcoming Committee-** And weren't they just! Welcoming everyone; competitors and the general public alike with a friendly smile. Check-in proceeded quickly, even when it got busy.
- **Sponsors-** An event of this size simply cannot occur without a tremendous effort from our Sponsors. A sincere thankyou to Ozpet, Whiskas, the Logan City Council, Advantage, Bayer and Pfizer, who also sponsored drinks and nibbles at the dinner held Saturday night. Our competitors were blown away by the quality of the product. Finding Sponsors requires a special effort all on its own and we must thank Jenny McKernan for her doggedness (or should that be cattedness?), our prize table would have been empty without it.
- **The Logan Entertainment Centre Staff-** Friendly, helpful, enthusiastic and ever ready to fill up an endless parade of hot water bottles. Thankyou!
- **Our members-** Thankyou for pointing out the MC to out of state competitors, for extending a welcoming hand and just being all round wonderful.
- **The Vendors-** I would have to say my wallet is a tad lighter because of you! Thankyou for showcasing your wares, there was something for everyone and the range was just stunning.

And finally.

- **Our Competitors-** From the bottom of our combined hearts, the CFCCQ and all its members thank each and every one of you for making the journey; new friends were made, old friendships were renewed. Thankyou for being delighted in your wins and graceful in defeat. Thankyou for sharing your chocolate, wipes, chairs, coffee, prizes and the experience. It was an absolute blast!

Tidbit- Overheard during Saturdays competition, in regard to a certain cat who shall remain nameless- "R*** You are a sh*t, an absolute sh*t. She won't let me clean her eyes!" When wandering past later, I saw a Best In Show ribbon attached to the front of the cage. Owner spied me and said, quite clearly, "Nope, she's still a sh*t" Ahhh, ya gotta love em!

The photographer sends her apologies to the exhibitor of a rather wild breed. Apparently the owner and cat were caught out, photographed and the resulting picture made it onto the Powerpoint presentation the following day, much to the surprise of the subject. All subsequent bribes of chocolate have been gratefully accepted and that picture has been destroyed.....and if you believe that...well....!

We send a special hello to a certain duo of exhibitors who have returned from colder climes. We missed you guys and your sense of humour. Mind you, if you keep winning the way you did at the National, I'm sure that you will be given one way tickets BACK to where you came from (tongue firmly in cheek).

Thankyou to the La Perm's for making one of their first sojourns into the CFA cat fancy. From the amount of cuddles the cats received from members of the general public, I am sure that these wild and woolly felines will become quite popular at shows around Australia.
